I like looking out outside. About two years ago I worked at a tea house. During the day, it would be the best if I had a room by the window with a good view watching and drinking coffee.

I thought it was worth the money.

The sunset was wonderful too.

I like taking my time and being laid-back, but when usually say I'm "a strange guy."

Well, I am not that blooded, but...

The transfer student, *Ametsugu Shikama*, appeared before *Kagura* and *Kensuke*. She is next in line to be the head of the family for a dark organization, "Dragonair," which originated from *Dragonair* long ago. *Shikama*, wants to control the world to collect the scattered "Dragonair" in order to gain the tremendous spiritual power of the "Kisumu Kiyoshi Fuy," and has declared war against *Kagura*. With *Kensuke* on the line and a "Dragonair" within his body—the battle of the modern *Kagura* vs. *Shikama*, breaks out!

This is next steps, after-school novelist authors, volume 4!

...AND THAT...

END

BY: MURDER

to be continued...

Collection of Scenes of Imaginary N.G. (Not Ga-Rai)

Now published all of scenes here are several compiled scenes from the original manuscript that did not make an appearance

This was changed because I would destroy the atmosphere in the end
